Re: *In re Novo Nordisk Sec. Litig.*, No. 17-cv-209-BRM-LHG (D.N.J.)

Dear Judge Goodman:

We are Co-Liaison Counsel to the Lead Plaintiffs in the above matter. We write, jointly with Defendants, to request a brief extension of the existing schedule. This request arises from the fact that a witness, Jesper Høiland, has now returned from Denmark and will sit for deposition on January 29, 2021. That is the same day Plaintiffs' reply expert reports are due. To accommodate the deposition, the parties have agreed to extend the existing pre-trial deadlines as set forth in the following chart:

Event	Current deadline	New deadline
Expert Reply Reports	1/29/2021	2/5/2021
Discovery Cutoff	2/19/2021	3/5/2021
Dispositive Motions Due	3/19/2021	4/2/2021
Oppositions to Dispositive Motions Due	4/21/2021	5/5/2021
Dispositive Motion Replies Due	5/7/2021	5/21/2021
Dispositive Motions Returnable	5/17/2021	6/7/2021

If the above proposal meets with Your Honor's approval, we respectfully request that this letter be So Ordered. If it would assist the Court, the parties would be happy to discuss this request with Your Honor.

Respectfully submitted,

Christopher A. Seeger
